- HTML, CSS, JavaScript
- React.js, Node.js
- MongoDB, Linux, Git, Github, Postman, IBM Cloud, IBM granite
- Communication, Teamwork, Leadership

CERTIFICATIONS

- IBM Skills Network – RAG with LangChain
- IBM Skills Network – AI-Powered Document Retrieval System

EDUCATION

B.Tech in Computer Science (Ongoing, 3rd Year)
Vishwakarma University, Pune | CGPA: 8.2

12th Standard (2021) – Army Public School | 77%
10th Standard (2019) – Army Public School | 82%

PROJECTS

Retrieval Augmented Generation with LangChain

Implemented RAG model to enhance LLMs with external knowledge retrieval.
Worked with semantic search, embeddings, and query optimization.

AI-Powered Document Retrieval System

Built a document search system using IBM Granite and Docling.
Applied embedding models and vector databases for efficient retrieval.

Library AI Agent (Ongoing)

Developed an AI-based assistant that analyzes student profiles and course syllabi to recommend relevant books.
Implemented NLP and IBM Granite for deployment.
